Happy Holidays from the Three Wisemans and me. We are so grateful to have the most wonderful teachers in the world and when their health and our children's health was under threat, we were so fortunate to find ourselves surrounded by angels. It is with all my heart that I embrace you. It is very hard to be a mother. You are always trying to do the right thing. This has been the biggest fight of my life and I can not conceive of what our lives would be like if you good people hadn't shown up to keep our school safe and healthy for our children and their teachers. Thank you. xoxoxo
